

**Invitation to Exhibit, Support
Caring for Kids with Cancer Symposium
Friday, May 10, 2024
Baptist Hospital, Auditorium**

<http://MiamiCancerInstitute.com/CaringforKids>

Working in partnership to provide the best possible care for the communities they serve, two local leaders in healthcare – **Miami Cancer Institute**, part of **Baptist Health South Florida**, the area's largest, not-for-profit healthcare provider, and nonprofit **Nicklaus Children's Hospital**, part of **Nicklaus Children's Health System** and the leading provider of children's healthcare services in South Florida – are collaborating to improve healthcare through continuing education.

Overview:

This symposium will focus on incorporating individual cancer genetic make-up with pathological diagnosis. The faculty — including leading experts from the top local and national cancer care institutions — will review the latest technologies and therapeutic approaches to challenging clinical problems, and will focus on evidence-based approaches to the special physical, emotional and psychological needs of pediatric cancer patients and their families.

Baptist Health CME is pleased to announce that the 2024 **Caring for Kids with Cancer Symposium** offers an excellent opportunity to network with physicians and other healthcare professionals, and to highlight your company's pediatric oncology related products and services in a safe, in-person setting. We cordially invite you to participate.

Who will attend this conference:

- Pediatricians
- Pediatric Oncologists
- Hematologists/Oncologists
- Infectious Disease Pediatricians
- Pediatric General Internists
- Family Physicians
- Neonatologists
- Emergency Department Physicians
- Psychiatrists
- Psychologists
- Nurses
- Physician Assistants
- Social Workers
- Respiratory Therapists
- Radiation Technologists
- Dietitians
- Pharmacists
- Clinical Laboratory Personnel

We hope to see you in May. Thank you for your consideration.

Baptist Health Continuing Medical Education Department on behalf of
Miami Cancer Institute and **Nicklaus Children's Hospital**

Networking Opportunities ■ Corporate Support

You will have the opportunity to network with the physicians, leaders and healthcare providers affiliated with Miami Cancer Institute, as well as those from Florida's medical community, from around the United States and from international cities. You will be well-positioned to showcase your company's products and services as they apply to the treatment of children with cancer.

Companies that provide a cumulative amount of support throughout the year that reaches \$15,000 would also be recognized for one year as a Corporate Philanthropy Partners program member of Baptist Health. Complete details are provided on the following pages.

About Baptist Health South Florida

Baptist Health South Florida is a not-for-profit healthcare organization that spans four counties, including 11 hospitals and numerous outpatient and diagnostic facilities, and is served by over 4,000 physicians and 27,000 employees. Additionally, numerous Centers of Excellence such as Miami Cardiac & Vascular Institute, Miami Neuroscience Institute, Marcus Neuroscience Institute, Miami Cancer Institute, Lynn Cancer Institute and Baptist Health Orthopedic Care, attract patients from around the country and internationally.

Our Mission

The mission of Baptist Health is to improve the health and well-being of individuals, and to promote the sanctity and preservation of life, in the communities we serve. Baptist Health is a faith-based organization guided by the spirit of Jesus Christ and the Judeo-Christian ethic. We are committed to maintaining the highest standards of clinical and service excellence, rooted in the utmost integrity and moral practice.

Consistent with its spiritual foundation, Baptist Health is dedicated to providing high-quality, cost-effective, compassionate healthcare services to all, regardless of religion, creed, race or national origin, including, as permitted by its resources, charity care to those in need.

Through its CME Department, Baptist Health supports the sustained development of accredited, unbiased continuing education (CME/CE) programming for doctors and healthcare teams to foster improvements in provider competence and performance and ultimately healthcare outcomes. Employing an interprofessional approach to continuing education development, the CME Department supports educational interventions to improve quality of care, patient safety and the value of healthcare. This is accomplished through organized educational activities that focus on both existing and new diagnostic and therapeutic modalities as well as population health concerns. Responsive to the ever-changing healthcare environment and Baptist Health's institutional needs, the CME Department collaborates with departments and committees across the health system to align workplace CME/CE with the delivery of optimal clinical care, reduction of medical errors, improvements in the patient experience and adherence to evidence-based standards of care and resource utilization.

FUTURE COMMUNICATIONS

After receipt of your company's commitment to exhibit, Baptist Health CME will follow up regarding:

- Confirmation of **representative names and email addresses**.
- Confirmation of **Exhibit Hall details** including set up time and date
- Any communication related to this symposium will come directly from Baptist Health.
- **Important:** Baptist Health CME does not provide our attendee lists to any company or individual; any offer you receive to purchase an attendee list for this symposium from an outside company is **not** legitimate.

HOST AN INDUSTRY PRODUCT THEATER SESSION

An exclusive opportunity to educate a captive audience of physicians and other healthcare professionals awaits you. Companies are invited to present a non-accredited industry session and/or host a social event to inform attendees about the latest product information. Sessions and/or social events must be approved by Baptist Health CME and will be granted on a first-come, first-served basis. Companies may choose to host a lunchtime or evening industry session or social event. Meeting rooms designed for industry sessions and social events will accommodate up to 50 people. Logistical planning and payment for event and audiovisual expenses are the responsibility of the sponsoring company. Sponsoring companies will not be required to provide meal service for attendees.

NOTE: Product Theater participation does not include exhibit participation- exhibit participation is separate; Product Theater support requires a Letter of Agreement to be signed.

<p>Industry Product Theater Presentation[†] – Exclusive! Limited to 1 Sponsor</p> <p>30 minute session during lunch on Friday, May 10, will provide a focused, high-value live marketing opportunity for a company to reach motivated professionals. Guidelines will be provided after commitment or upon request.</p> <p>Note: There would be a 30-minute buffer between the end of the morning educational session and the beginning of the product theater; there will also be a 30 minute buffer between the conclusion of the product theater and the beginning of the afternoon educational session. These time buffers are for the purpose of compliance with ACCME Standards for Integrity and Independence.</p> <p>Company's link on event website and in promotional emails</p>	<p>\$5,000</p>
--	-----------------------

COVID-19 PROTOCOLS

The Continuing Medical Education Department will implement health and safety protocols appropriate at the time of the symposium in accordance with the World Health Organization, CDC, Baptist Health and other key regulatory agencies. These protocols include, but are not limited to:

- ✓ proof of negative COVID-19 status and/or vaccination
- ✓ self-monitoring
- ✓ active screening
- ✓ contact tracing
- ✓ wearing a mask
- ✓ use of additional personal protective equipment, social distancing and space management
- ✓ avoidance of physical contact, such as handshaking and embracing

Compliance with some or all of the protocols adopted by Baptist Health may be mandatory for in-person attendance at the symposium. If there is additional information regarding health and safety measures, and any additional necessary consents are needed from you, we will contact you prior to the start of the symposium.

____ (Initials) *I have read and understand Baptist Health's CME COVID-19 protocol requirements to attend in-person events.*

Terms and Conditions for Baptist Health CME Exhibit Hall Participation

For the purpose of this agreement, "Exhibitor" refers to the company(ies) represented at this event as well as the company's(ies) representative(s) present at this event; and "Baptist Health" refers to Baptist Health South Florida, its affiliates, subsidiaries, contractors, departments and employees.

- Placement of brochures, marketing materials or flyers is restricted to the company's assigned exhibit space.
- No sales transactions are permitted in the exhibit halls or anywhere within this CME event during the hours that the event is in session. Any companies that are observed to be making sales will be asked to cease sales in order to remain in the exhibit hall.
- Exhibitors may not affix anything to the walls, doors, floors or columns of the Exhibit Hall or symposium space.
- All illuminated displays and other equipment requiring electrical current must conform to local electrical codes. All extension cords must be 3-wire grounded and UL approved. *(Availability of electrical access is limited.)*
- Subletting of exhibit space is not permitted.
- Baptist Health will not refund any fees paid under this agreement if the company does not use the exhibit space.
- Baptist Health CME reserves the right to (a) reject any exhibit application; (b) reject, prohibit, restrict or otherwise require modification of any exhibit for any reason; and (c) evict or ban any exhibitor whose exhibit, materials or conduct is objectionable for any reason.
- Violation of any regulations on the part of the exhibitor, its employees or agents shall void the right to occupy space, and such exhibitor will forfeit to Baptist Health CME all monies that may have been paid.

- Upon evidence of violation, Baptist Health CME may take possession of the space occupied by the exhibitor and may remove all persons and goods at the exhibitor's risk. The exhibitor shall pay all expenses and damages that Baptist Health may thereby incur.
- Exhibitor agrees to be responsible for his/her personal and company property and acknowledges that neither Baptist Health nor the facility assume responsibility for damage to, loss of or theft of property.
- Exhibitor shall release and hold harmless and indemnify Baptist Health from any and all claims, obligations, liabilities, causes of action, lawsuits, damages, and assessments, including legal fees, that result from an allegation of negligence on the part of the exhibitor or Baptist Health or third parties in the use of the exhibit space or activities in connection with the use of the exhibit space.
- **Note:** The format of all events are subject to change. All events will take place in a safe and socially distant format that follows established recommendations by the CDC and Baptist Health South Florida policies.
