Prospectus of Commercial Support and Advertising Opportunities

41st Annual Echocardiography/Structural Heart Symposium
September 27-28, 2024 | Friday – Saturday | Loews Hotel Coral Gables, Coral Gables, Florida
BaptistHealth.net/MiamiEcho

On behalf of the **Echocardiography/Structural Heart Symposium** planning group, we cordially invite companies to support this dynamic continuing medical education event.

Course Overview

The **41st Annual Echocardiography and Structural Heart Symposium** will include important topics that focus on current guidelines for the evaluation of core issues within echocardiography, such as cardiac structure, cardiac function and hemodynamics assessment.

Additionally, the internationally renowned faculty experts will address the latest developments, cutting-edge technologies and future directions of structural heart disease assessment, treatment options and advanced cardiac imaging.

These discussions will include advanced echocardiography imaging techniques (3-D, Strain, CT and TEE) and valve repair approaches (TAVR, Transcatheter Edge-to-Edge Repair (TEER), left atrial appendage occlusion devices, paravalvular closure and alcohol septal ablation). Treatment focus will be on aortic, mitral and tricuspid valves and interatrial septum valvular heart disease, as well as specific patient populations, including those with cancer, atrial fibrillation, valvular heart disease and hypertrophic cardiomyopathy. Current controversies speak to indications and contraindications for various diagnostic and treatment approaches.

Networking Opportunities ■ Corporate Support

You will have the opportunity to network with the physicians, leaders and healthcare providers affiliated with Miami Cardiac & Vascular Institute, as well as those from Florida's medical community, and from around the United States and international cities. You will be well-positioned to showcase your company's products and services as they apply to cardiology, and specifically to echocardiography and structural heart disease.

Exclusive Advertising opportunities and Exhibit packages are available at multiple levels, providing unique access to distinct and significant recognition at the symposium. Additionally, Industry Product Theater opportunities are available. Companies that provide support at or above \$15,000 would also be recognized for one year as a Corporate Philanthropy Partners program member of Baptist Health.
