

**Invitation to Exhibit, Support**  
**Miami Cancer Institute Oncology Rehab Symposium, Fourth Annual**  
**Saturday, October 19, 2024**  
**South Miami Hospital, Auditorium**  
<http://MiamiCancerInstitute.com/RehabSymposium>

**Overview:**

Cancer is a public health problem of major proportions. Each year, more than 600,000 people in the United States die from cancer. There have been many advances in the practice of rehabilitation medicine, psychology, neurology and other clinical specialties that identify and treat patients with cancer. Fatigue and loss of physical performance are frequent problems of cancer patients. This symposium will provide practical, evidence-based rehabilitation strategies to accurately treat oncology patients of various types, including contraindications for treatment.

Baptist Health CME is pleased to announce that in person Exhibit opportunities are available for the **2024 Miami Cancer Institute Oncology Rehab Symposium**. The **Oncology Rehab Symposium** offers an excellent opportunity to network with physicians and other healthcare professionals, and to highlight your company's oncology rehabilitation related products and services in a safe, in-person setting. We cordially invite you to participate.

**Who will attend this conference:**

- Neurologists
- Neurosurgeons
- Psychiatrists
- Neuropsychologists
- Physiatrists
- General Internists
- Oncologists
- Family Medicine Physicians
- Physical Therapists and Assistants
- Occupational Therapists and Assistants
- Speech Language Pathologists
- Nurses
- Social Workers
- Pharmacists
- Athletic Trainers

We hope to see you in October. Thank you for your consideration.

## **Networking Opportunities ■ Corporate Support**

You will have the opportunity to network with the physicians, leaders and healthcare providers affiliated with Miami Cancer Institute, as well as those from Florida's medical community, from around the United States and from international cities. You will be well-positioned to showcase your company's products and services as they apply to the treatment of children with cancer.

Companies that provide a cumulative amount of support of at least \$15,000 throughout the year, would also be recognized for one year as a Corporate Philanthropy Partners program member of Baptist Health. Complete details are provided on the following pages.

## **About Baptist Health South Florida**

Baptist Health South Florida is a not-for-profit healthcare organization that spans four counties, including 11 hospitals and numerous outpatient and diagnostic facilities, and is served by over 4,000 physicians and 27,000 employees. Additionally, numerous Centers of Excellence such as Miami Cardiac & Vascular Institute, Miami Neuroscience Institute, Marcus Neuroscience Institute, Miami Cancer Institute, Lynn Cancer Institute and Baptist Health Orthopedic Care, attract patients from around the country and internationally.

## **Our Mission**

The mission of Baptist Health is to improve the health and well-being of individuals, and to promote the sanctity and preservation of life, in the communities we serve. Baptist Health is a faith-based organization guided by the spirit of Jesus Christ and the Judeo-Christian ethic. We are committed to maintaining the highest standards of clinical and service excellence, rooted in the utmost integrity and moral practice.

Consistent with its spiritual foundation, Baptist Health is dedicated to providing high-quality, cost-effective, compassionate healthcare services to all, regardless of religion, creed, race or national origin, including, as permitted by its resources, charity care to those in need.

Through its CME Department, Baptist Health supports the sustained development of accredited, unbiased continuing education (CME/CE) programming for doctors and healthcare teams to foster improvements in provider competence and performance and ultimately healthcare outcomes. Employing an interprofessional approach to continuing education development, the CME Department supports educational interventions to improve quality of care, patient safety and the value of healthcare. This is accomplished through organized educational activities that focus on both existing and new diagnostic and therapeutic modalities as well as population health concerns. Responsive to the ever-changing healthcare environment and Baptist Health's institutional needs, the CME Department collaborates with departments and committees across the health system to align workplace CME/CE with the delivery of optimal clinical care, reduction of medical errors, improvements in the patient experience and adherence to evidence-based standards of care and resource utilization.
