

CONFERENCE APPLICATIONS AND REPORTS
Outcomes Measurement Reports

May 19, 2023

Lecture Date	Lecture Title
10.1.2022	Miami Cancer Institute's Oncology Rehab Symposium: Current Approaches to Oncology Rehabilitation and Cancer Care
10.6 – 10.8.2022	Boca Raton Regional Hospital Gastroenterology Symposium
10.12.2022	MCI Head and Neck Cancer Conference, 2022
10.27 – 28.2022	39th Annual Echocardiography and Structural Heart Symposium
11.3-5.2022	Miami Neuroscience Symposium, 10th Annual
12.9.2022	5th Annual Miami Brain Symposium
1.28.2023	2023 Baptist Health Spine Symposium
2.3-4.2023	2023 Inaugural Miami Cancer Institute Precision Oncology Symposium

Miami Cancer Institute's Oncology Rehab Symposium: Current Approaches to Oncology Rehabilitation and Cancer Care

October 1, 2022

Pre-survey participants: 85

Post-survey participants: 67

Outcomes Measurement Change Analysis

Self-Assessment Questions

How confident are you in your ability to:

	Pre	Post	% Change	
<ul style="list-style-type: none"> Implement proton therapy and other advances in radiation therapy in the treatment of cancer patients? 	2.1	3.4	62%	▲
<ul style="list-style-type: none"> Implement new strategies on cancer rehabilitation? 	3.0	4.4	47%	▲
Overall	2.6	3.9	50%	▲

Boca Raton Regional Hospital Gastroenterology Symposium

October 8, 2022

Pre-survey participants: 157

Post-survey participants: 159

Outcomes Measurement Change Analysis

Self-Assessment Questions

How confident are you in your ability to:

	Pre	Post	% Change	
<ul style="list-style-type: none"> Identify the medical therapy options for IBD? 	3.0	4.5	50%	▲
<ul style="list-style-type: none"> Apply best practices for prevention of Clostridioides (Clostridium) Difficile Infection? 	3.2	4.6	44%	▲
<ul style="list-style-type: none"> Develop a treatment strategy for the main IBS sub-types? 	2.8	4.5	61%	▲
<ul style="list-style-type: none"> Identify the steps involved in evaluating candidates for liver transplant? 	2.5	4.5	80%	▲
Overall	2.9	4.5	55%	▲

MCI Head and Neck Cancer Conference, 2022

October 12, 2022

Pre-survey participants: 51

Post-survey participants: 34

**Outcomes Measurement Change Analysis
Self-Assessment Questions**

How confident are you in your ability to:

	Pre	Post	% Change	
<ul style="list-style-type: none"> Recognize early and late oral complications from head and neck cancer. 	3.1	4.5	45%	▲
<ul style="list-style-type: none"> Implement management strategies for patient with oral toxicities secondary to head and neck cancer. 	2.9	4.4	52%	▲
Overall	3.0	4.5	50%	▲

39th Annual Echocardiography and Structural Heart Symposium

October 27-28, 2022

Pre-survey participants: 208

Post-survey participants: 208

**Outcomes Measurement Change Analysis
Self-Assessment Questions**

How confident are you in your ability to:

	Pre	Post	% Change	
<ul style="list-style-type: none"> Competently utilize state-of-the-art echocardiography in diagnosis and treatment of structural heart disease. 	4.1	4.7	13.6%	▲
<ul style="list-style-type: none"> Provide high-quality procedures that are safer, faster, improve patient outcomes. 	4.1	4.7	13.6%	▲
<ul style="list-style-type: none"> Utilize a multi-disciplinary heart team to treat the increasing complex group of patients. 	4.0	4.7	16%	▲
Overall	4.1	4.68	14.4%	▲

Miami Neuroscience Symposium, 10th Annual

November 3-5, 2022

Pre-survey participants: 101

Post-survey participants: 180

**Outcomes Measurement Change Analysis
Self-Assessment Questions**

How confident are you in your ability to:

	Pre	Post	% Change	
<ul style="list-style-type: none"> Apply appropriate thrombolytic therapy in acute stroke management. 	3.38	4.53	34%	▲
<ul style="list-style-type: none"> Diagnose and manage common complications encountered in the neuro ICU. 	3.03	4.43	46%	▲
<ul style="list-style-type: none"> Apply appropriate thrombosis prevention and management in COVID-19. 	3.15	4.48	42.2%	▲

<ul style="list-style-type: none"> Identify patients who would benefit from high intensity focused ultrasound. 	2.44	4.32	77%	▲
<ul style="list-style-type: none"> Identify patients who would benefit from deep brain stimulation. 	2.39	4.32	80.75%	▲
<ul style="list-style-type: none"> Differentiate epilepsy treatment options for children and adults. 	2.41	4.28	77.59%	▲
<ul style="list-style-type: none"> Recommend outpatient services for spine treatment and track patient outcomes. 	2.81	4.46	58.71%	▲
Overall	2.8	4.4	57.1%	▲

5th Annual Miami Brain Symposium

December 9, 2022

Pre-survey participants: 91

Post-survey participants: 43

Outcomes Measurement Change Analysis

Self-Assessment Questions

How confident are you in your ability to:

	Pre	Post	% Change	
<ul style="list-style-type: none"> Properly diagnose and manage primary and metastatic brain tumors. 	2.9	4.5	55%	▲
<ul style="list-style-type: none"> Apply targeted agents, immunotherapy and novel technologies to treat gliomas. 	2.6	4.4	69%	▲
Overall	2.8	4.5	61%	▲

2023 Baptist Health Spine Symposium

January 28, 2023

Pre-survey participants: 172

Post-survey participants: 220

Outcomes Measurement Change Analysis

Self-Assessment Questions

How confident are you in your ability to:

	Pre	Post	% Change	
<ul style="list-style-type: none"> Apply appropriate clinical course of evaluation for patients with spine complaints? 	3.5	4.3	23%	▲
<ul style="list-style-type: none"> Utilize appropriate medical management for patients with spine complaints? 	3.4	4.3	26%	▲
Overall	3.5	4.3	23%	▲

2023 Inaugural Miami Cancer Institute Precision Oncology Symposium

February 3-4, 2023

Pre-survey participants: 126

Post-survey participants: 55

Outcomes Measurement Change Analysis

Self-Assessment Questions

How confident are you in your ability to:

	Pre	Post	% Change	
• Properly diagnose and manage solid tumor malignancies.	2.5	4.4	76%	▲
• Provide an update of new molecular and targeted treatments being developed for solid tumors.	2.7	4.6	70%	▲
Overall	2.6	4.5	73%	▲

PRE and POST Self-Assessment Questions:

Score Key

5=High level of competence

4=Moderately high level of competence

3=Average level of competence

2=Low level of competence

1=No level of competence
