

25th Annual Brain Injury Symposium

Current Concepts in Neurological Rehabilitation

Saturday, October 12, 2019

Hilton Miami Dadeland

Keynote Speaker:

Gerard Anthony Gioia, Ph.D.

Professor, Departments of Pediatrics,

Psychiatry & Behavioral Sciences

The George Washington University School of Medicine

Symposium Co-directors:

Bradley M. Aiken, M.D., and

Richard A. Hamilton, Ph.D.

Co-sponsored with
Baptist Neuroscience Center

Baptist Hospital

BAPTIST HEALTH SOUTH FLORIDA

Rehabilitation Center

25th Annual Brain Injury Symposium

Current Concepts in Neurological Rehabilitation

Target Audience

▪ Neurologists ▪ Psychologists ▪ Psychiatrists ▪ Physiatrists ▪ General Internists ▪ Family Physicians ▪ Pediatricians ▪ Physical Therapists ▪ Physical Therapy Assistants ▪ Occupational Therapists ▪ Certified Occupational Therapy Assistants ▪ Speech-Language Pathologists ▪ Nurses ▪ Social Workers ▪ Case Managers ▪ Mental Health Workers ▪ Recreational Therapists ▪ Pharmacists ▪ Athletic Trainers

Symposium Goal

To improve the quality of patient care by providing an in-depth update on new techniques and research in the treatment of traumatic brain injury and stroke patients and implementing evidence-based strategies for the assessment and treatment of patients with brain injuries.

Educational Objectives

- Describe the wide variety of imaging tools and techniques available for assessing stroke patients.
- Recognize the limitations and practical challenges of stroke imaging.
- Explain the imaging penumbra in stroke care.
- Utilize best evidence and current guidelines in the evaluation and management of youth concussion.
- Describe an active approach to concussion treatment and rehabilitation.
- Implement best practices to improve the return-to-school process.
- Recognize the important role life care planning has in meeting an acquired brain-injured patient's specific health needs.
- Outline the different components and multidisciplinary teams involved in creating a life care plan.
- Identify areas of a life care plan that are of particular importance in the management of the acquired brain-injured patient.
- Describe the neuroanatomical substrate of different types of maladaptive behavior.
- Implement behavior modification procedures to decrease maladaptive behavior.
- Identify antecedents to maladaptive behavior.
- Explain the risk factors and epidemiology of traumatic brain injury.
- Describe medical complications commonly associated with traumatic brain injuries.
- Outline the different classifications of traumatic brain injuries.
- Recognize functional outcome predictors for traumatic brain injuries.
- Appropriately utilize pharmacologic management for the treatment of traumatic brain injuries.
- Identify individuals who qualify for a BalanceWear assessment and list the steps of facilitating a referral to a qualified clinician.
- Determine the most appropriate assessment tools for commonly reported persistent symptoms following concussion.
- Utilize a multifaceted approach for the treatment of individuals with brain injury (severe to moderate) based on evidence-based practice.
- Describe the emotional sequelae to traumatic brain injury.
- Recognize the brain injury recovery process and difficulties from the perspective of a patient.
- Identify contributions of the rehabilitation team as they relate to treatment planning.

Faculty

Bradley M. Aiken, M.D.

Symposium Co-director

Medical Director, Department of Rehabilitation
and Brain Injury Programs
Baptist Hospital of Miami
Miami, Florida

Richard A. Hamilton, Ph.D.

Symposium Co-director

Clinical Director, Baptist Hospital of Miami Brain
Injury and Concussion Rehabilitation Programs
Neuropsychologist, Miami Cancer Institute
Miami, Florida

Kevin J. Abrams, M.D.

Chief of Radiology, Baptist Hospital of Miami
Medical Director, Neuroradiology
Miami, Florida

Janel Blanco

Traumatic Brain Injury Survivor
Miami, Florida

Gerard Anthony Gioia, Ph.D.

Division Chief, Pediatric Neuropsychology
Children's National Health System
Professor, Departments of Psychiatry/
Behavioral Sciences and Pediatrics
The George Washington University School of
Medicine
Washington, D.C.

Elizabeth Matalon, M.S., P.T.

Director of Rehabilitation Services
Baptist Hospital of Miami
Miami, Florida

Alan Keith Novick, M.D.

Rehabilitation Medical Director
Memorial Rehabilitation Institute
Hollywood, Florida

Paul M. Ramos, P.T.

Physical Therapist
Miami, Florida

Lida Rivera-Perez, P.T., DPT

Physical Therapist
Baptist Hospital of Miami
Miami, Florida

Emily Ann Schultz, P.T., DPT, NCS

Physical Therapist
UHealth Physical Therapy Outpatient Neuro
Miami, Florida

Denise Vargas, SLP

Speech Pathologist
Baptist Hospital of Miami
Miami, Florida

Gloria Vignau, OTR

Occupational Therapist (Retired)
Baptist Hospital of Miami
Miami, Florida

Schedule

SATURDAY, OCTOBER 12

- 7:00 a.m. *Registration and Continental Breakfast*
- 7:45 a.m. **Opening Remarks and Introduction**
Bradley M. Aiken, M.D.
- 8:00 a.m. **Update on Imaging in Acute Ischemic Stroke**
Kevin J. Abrams, M.D.
- 9:00 a.m. **Redefining Concussion in Youth: It's All About the Neighborhood**
Gerard Anthony Gioia, Ph.D. — Keynote Speaker
- 10:30 a.m. *Break and Visit Exhibits*
- 10:45 a.m. **An Overview of Life Care Planning for Acquired Brain Injury**
Paul M. Ramos, P.T., CLCP, ATP, CEAC
- 11:15 a.m. **Managing Maladaptive Behavior Following Post-Acute TBI**
Richard A. Hamilton, Ph.D.
- 12:15 p.m. *Luncheon and Visit Exhibits*
- 1:15 p.m. **Traumatic Brain Injury: Early Management to Maximize Functional Outcome**
Alan Keith Novick, M.D.
- 2:15 p.m. **Brain Injury Rehabilitation: Evidence-Based Clinical Tools for Assessment and Treatment of Severe to Mild Brain Injury**
Emily Ann Schultz, P.T.
- 3:15 p.m. *Break and Visit Exhibits*
- 3:30 p.m. **“A TBI Survivor Story”**
Rehab Team
- 4:00 p.m. **Be Realistic...Accept Help and Expect Miracles**
Janel Blanco

Accreditations and Credits

Baptist Health South Florida provides accredited continuing education (CME/CE) to doctors, nurses and allied health professionals.

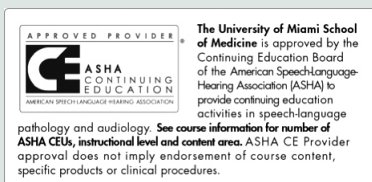

Baptist Health South Florida is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Baptist Health has been re-surveyed by the ACCME and awarded Commendation for 6 years as a provider of CME for physicians.

Baptist Health South Florida designates this live activity for a maximum of *7 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity has been approved for 7 credit hours by the Florida Boards of Medicine and Osteopathic Medicine, the Florida Council of Physician Assistants and the Florida Board of Psychology (7 credits). CE Broker Course #20-661891.

Approved for a total of 7 contact hours by the Florida State Boards of Nursing, Occupational Therapy, Respiratory, Pharmacy, Athletic Training, Clinical Social Workers, and Marriage and Family Therapists and Mental Health Counselors. CE Broker Provider #50-182. CE Broker Course #20-661891.

This course is pending approval for 8.5 continuing education credits from the Florida Physical Therapy Association, CE Broker Course #20-661891. Accreditation of this course does not necessarily imply that the FPTA supports the views of the presenter or the sponsors.

This course is offered for 0.7 ASHA CEUs (Intermediate Level, Professional Area).

Disclosures and Conflict-of-Interest Resolutions

Baptist Health South Florida requires resolution of all conflicts of interest to ensure balance, independence, objectivity and scientific rigor in all CME programming. Conflicts of interest of all individuals who control CME content will be identified and resolved prior to this educational activity. Full disclosure will be made in the syllabus. Presenters will also disclose discussions of off-label uses. American Speech-Language-Hearing Association (ASHA) financial and relationship speaker disclosure statements can be found at the following website: BrainInjurySymposium.BaptistHealth.net

Location:

Hilton Miami Dadeland
MiamiDadelandHilton.com
9100 North Kendall Drive
Miami, FL 33176
786-975-1920

Parking:

\$20 valet
\$5 self-parking
Free parking next door at Baptist Hospital

Cancellation Policy:

Cancellations must be received by **Friday, October 4** to be eligible for a refund less a \$25 administrative fee. For additional course information, please call Judy Kaufman, P.T., Education Coordinator, Rehabilitation, Baptist Hospital of Miami, at 786 596-3349.

The beautiful new Hilton Miami Dadeland offers 184 rooms including 48 suites, all with Wi-Fi access. Table 55 is an on-site farm-to-table restaurant. Other amenities include a Starbucks in the lobby; wellness center featuring yoga and Pilates; fitness center; walking/jogging trails; and outdoor heated pool. Room reservations are \$169 per night. Please use the following code when making reservations: BRINCO. Reservations must be received by **Thursday, September 12**, to receive this discounted rate.

25th Annual Brain Injury Symposium

Saturday, October 12, 2019

Hilton Miami Dadeland
9100 N. Kendall Drive, Miami, FL 33176

Registration Form

Registration deadline is Friday, October 4.

Registration fees:

\$250 One-day course \$150 Baptist Health employees \$150 Students

NOTE: Accreditation boards require that participants attend the entire day to be eligible for continuing education credits. Physical therapists and speech-language pathologists must attend the entire symposium. M.D.s and D.O.s must claim credit equal to the amount of time spent in the symposium.
