

Provider Coding and Documentation Webinar Calendar July 2021

Overview

These coding education courses align with Baptist Health's Corporate Compliance program, which supports the Office of Inspector General's annual plan for provider coding compliance.

Learners will enhance their ability to adhere to Evaluation and Management (E&M) guidelines; CMS documentation standards; provider coding compliance and quality documentation.

These monthly courses will provide updates on CMS Guidelines that went into effect on January 1, 2021, in addition to pertinent topics and guidance that affects coding and documentation.
